Title: Need to operate Cuddalore Tiruchirapalli train formTirupapuliyar railway station, Cuddalore.

SHRI A. ARUNMOZHITHEVAN (CUDDALORE): Cuddlore- Tiruchirapalli Train No. 76841 starts from Cuddalore O.T. junction. But people of cuddalore district from all walks of life wish to travel from Tirupapuliyur railway station.

At present, the train starts from Cuddalore junction from platform No. 4 every day. Since there is no foot path to cross form platform No. 1 to platform No. 4, the elderly and differently-abled persons as well as the persons with heavy luggage are finding it very difficult to walk through platform No. 1 platform No. as was done earlier.

Also there are no toilet facilities in Cuddalore- Tiruchirapalli Train. The train starts at 6.00 A.M and people find it very difficult to travel without toilet facilities. Therefore, I urge the Government to take necessary steps to operate Cuddalore-Tiruchirapalli train from Tirupapuliyur Station in the Cuddalore city instead form Cuddalore O.T. Junction and provide coaches with toilet facilities.
